

## Dedicated to the Forgotten Men and Women of America

March 10, 2025 – Do you know that the 2024 Republican Party Platform begins with that Dedication? Do you know that promise #15 in the 20 Promises summary of that platform pledges to “protect Social Security and Medicare with no cuts and no changes to the retirement age?” Why are Democrats holding orchestrated Town Hall meetings spreading fear and lies? Could it be that they don’t want you to notice that they are still controlled by the global financial elite, the ones who comprise the Medical, Pharmaceutical, Agricultural, Information and Defense Cartels? Isn’t it a little strange that Democrats, along with some of their neo-con Republican buddies, are the ones who want the Ukraine war to continue?

In July 2024, the Republican Party adopted a new Platform, inspired by Donald Trump. In addition to its dedication, it asserts that “the Republican Party must return to its roots as the Party of Industry, Manufacturing, Infrastructure and Workers.” Those roots, of course, were planted by Abraham Lincoln. That is why blue collar workers and GenZ’ers, along with so many communities that want peace and that want a future, bolted from the Democratic Party and voted for Donald Trump and J.D. Vance. Don’t let the Democrats gaslight you. Read the “20 Promises” and learn more about Donald Trump’s new Republican Party.
